Clearwater County is located in northern Idaho, bordering Montana. It ranks 29th among Idaho counties in population and 10th in area. Nearly 27 sq. miles of the county are water. The federal government owns over 53 percent of the county. Forest products manufacturing is the major basic industry, with trade, services and government providing the largest employment opportunities. Annual average total civilian employment in the county decreased 6.0 percent from 1991 through 2001. Major employers include Orifono Joint School District, the U.S. Forest Service, Clearwater County government, Clearwater Valley Hospital & Clinic, Idaho State Penitentiary, Idaho Department of Health & Welfare, DEBCO, and Konkoville Lumber Company, Inc.

Clearwater County is a true "sportsmen's paradise." Dworshak Reservoir and the Clearwater River provide excellent fishing opportunities and the forested lands of the Clearwater drainage are home to large populations of deer and elk. Winter brings ample snow for cross-country skiing and snowmobiling on miles of trails.
